REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Regarding independent claims 1, 13 and 20, the prior art of records do not show the limitations of a method/system that tessellates a depth map to detect a collision as specifically claimed in combination with other limitations of the claims.

Other claims are allowed because they are dependent on the independent claims.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
